About Exagen Inc.

Exagen Inc. (Nasdaq: XGN) is a specialized diagnostics company with an autoimmune platform that empowers physicians to make more confident decisions, earlier. Its flagship test, AVISE® CTD, provides diagnostic clarity in complex autoimmune conditions such as lupus, rheumatoid arthritis, and Sjögren's disease. Based in San Diego County, California, Exagen operates a CLIA-certified, CAP-accredited rheumatology laboratory delivering precise, timely results to physicians and partners across healthcare and biopharma. Through ongoing research and innovation, Exagen is committed to advancing care for autoimmune disease.
